My dear Mr William Dawson,

I do not often read  
the Toronto newspapers and  
have seen only one of the articles  
inspecting the Douville claims  
referred to in your favour of  
Monday last. Mr Houston's  
comments on these articles  
in the Globe, I did not happen  
to see, but your own state-  
ment of the facts in connection

with the classes for women  
will no doubt do away with  
any wrong impressions  
which may have been formed  
from reading his letters.

I do not feel that we have  
cause to regret the course  
taken in visiting that the  
teaching shall be wholly in  
separate classes, and have  
every confidence that under  
your guidance it will

procure eminently success-

ful. Believe me

Faithfully yours  
Doubtless yours
