Dear Sir William Dawson,

I beg
to return you my very grate-
ful thanks for the kind and
just manner in which you
have brought about the award-
ing of the Shakspeare Medal to
the successful candidate. In any
case I should have felt that
my humble services would al-
ways necessarily be at the
command of the University
from which I have the honour
to hold a degree. But I now
venture to hope in addition
that at some future time it
may lie in my power to test-
ify to the readiness of Mr. J. J. J.
Principal to devote himself to
the interests of its graduates
as well as to every matter

affecting the University.

I have the honour to sub-
scribe myself,

Yours respectfully

A. H. U. Colquhoun.
