May/85

Montreal May 9. 1885

Dear Mr. Dawson

I have your note as to  
the N. Soc. Canada. I think if you look,  
you will find a Circular from Mr.  
Bourne (dated May 1. & received by  
me on the 3<sup>d</sup>) announcing the meeting  
for May 26. He wrote me three  
weeks since that for several reasons  
he thought it desirable to postpone  
the meeting to that date. I have  
told Mr Shearer of this change & we  
shall act accordingly at the N. Soc. Hist.  
Council on Tuesday next.

I am very sorry that this change for  
the N. S. C. will interfere with your  
own plans & arrangements, and that

we may thereby be deprived of the pleasure of your presence at Ottawa for our annual meeting. I am very anxious about the Candidate for the vacancy in the N. S. C. Section & I think Penhallur should be put forward if possible. Can you not help in this work?

I remain dear Sir William,

Very faithfully yours

T. Henry Hunt

Sir J. W. Dawson
