Shelburne 13 May 1885

My dear Sir William

The postponed Session  
at Ottawa has also  
prevented my being able  
to secure the services  
of Mr Wm White Q.C.  
for the proposed Amendment  
to the Education Law.

We have had only one  
meeting and he at last  
told me that it was impossible  
for him to give time even  
in the evening. during the

The absence of his partner  
Mr R. N. Hall M.P. at  
Ottawa. Rather than  
seek assistance from any  
one else I preferred to  
wait feeling assured that  
the matter would not be  
pressed during the Session  
just closed at Quebec.

Yours very truly

R. M. Hewitt
