May 15th 1885.

Dear Sir.

I am much obliged
& particularly gratified by
the kind way in which
you have brought the E. E. T.
forward in Montreal. I
am sending the cutting
up to town, & he read
by the Committee. In the
meantime, permit me
to thank you in my own
name & that of my

(o. Secretary, Mr R. S. Poole.

I should wish also
to tender my thanks to
Mr Doer for the part
he has so kindly under-
taken. I hope that his
services may be called
into requisition.

I learn from our American
Treasurer, the Rev.^d W. C. Whitford
of Boston, that the Lord
Bishop of Montreal has

sent him a subscription
for the fund. Doubtless we
are indebted to yourself
for this proof of his
interest in our work.

In the hope that you
may be able to make some
use of them, I have the
pleasure to send you
with this a few papers
relating to the progress of
the work, & some circulars

for distribution.

I am Dear Sir

Yours most truly
Auntia B. Edwards
