My Dear Sir:

Your card rec'd.

I am the ~~treasurer~~ not

for the ~~United States~~ but

for America, on behalf

the Egypt Ex. Fund.

Your lists of names in

Canada can but aid

us here, & our lists
your work. Moreover, I
quite fancy that the long
& laborious efforts of
the treasurer here in the
press — scores of articles —
which has much circulation
over the line — have
stimulated the people in
Canada to help. The
New York Times, Tribune,

Evng. Post; the Boston
Journal, Post, Transcript
Advertiser; the Independent,
Congregationalist, the
Churchman, Literary World,
Church Press, Springfield
Republican, etc etc, are
witnesses.

But I am a little in the dark,
& perhaps in some way, you
individually are "taking an
oar" for Montreal. If so,

Let us "pull together".

I find nothing is so potent
as a list of contributors —

You rec'd mine — & your

list (if you have one) could

brighten my own. The cause

is a noble one. Should

you feel like forwarding

names & amounts through me

I am the last person to not

give full credit publicly in

our press, for the one doing

the work. Faithfully Yrs,

Sir T. W. Dawson Wm. C. Winslow
