Prof J. M. Dawson,
McGill College,
Montreal, Canada,
Sir,

I enclose a letter which the writer has received from Prof G. W. Plympton, the editor of our magazine. I have the circular set up from the matter you sent me for the purpose & waited to see how many it would be desirable to print. You note what Prof P. says. The question is shall we print enough to send ^{one} to each member or not? If so, will you please have a list of them & their addresses by mail, sent me, as that is the only way, whereby we could reach them with the circular. Prof Hunt could give you the address of the Secretary, to whom if you write, he would probably send the list, & he might not to me. Please return Prof P.'s letter with reply. Yours truly, D. Van Nostrand J.
