Principal Dawson

My dear Friend

On just returning
from attending the
General Assembly
of our United Presbyterian
Church I have found your
very kind note and
its enclosed donation
for our Foreign work. Please
accept my sincere thanks
on behalf of this cause.

Your Report for the
past year is now in

now in the Printer's hands
and I will take the liberty
of forwarding you a
copy when it is issued.
I will be very thankful
if it affords you any
pleasure in looking
it over.

I rejoice My dear Sir
that you are using your pen
and abilities in writing
for a Press & thus helping
forward the Cause of our
blessed Lord. May the
rich blessing of God be
upon your work.

With much respect

Yours very truly

J. B. Wals
