

Montreal, 17 June 1885.

My dear Sir,

Our Presbyterian Sabbath School Association have been laying out this work for next winter, with the aim of being helpful to teachers; they have arranged for a Sabbath School Institute in November, to be followed by monthly addresses as last year. I have been desired to ask you if you could favor us with an address akin, to the one you gave us on "walks about Jerusalem".

If you can, the date that would suit us best, would be 16th Feb (3rd Tuesday): I should have called on you, but am living at Beaconsfield for the summer & am in town only during the day.

Would you kindly think this matter over; the idea of these addresses, is to be helpful to teachers, & we have to try to stimulate interest & instruction: I hope you many engagements may not prevent our having your assistance once again.

Yours truly
D. Torrance Fraser
