WITNESS

OFFICE,

Inglis ✓

MONTREAL.

7 July 1885.

Dear Sir,

Enclosed are extracts from the "Daily Witness" giving some facts about the lives of the Indian Chiefs whose portraits we have the pleasure of sending you with this. All that is contained in these written sketches was gleaned from the last three annual reports of the Department of Indian Affairs at Ottawa. We have numbered the portraits & have placed the corresponding numbers at the head of the sketches. We send you two cards, but should you require more we can

can easily furnish them, & will be
happy to do so.

Faithfully yours,

John Donnell
