

Cop. Peter Kelly Aug 22/85

I was at one meeting of
Council - before leaving Ottawa
and at that meeting stated
to my colleagues that you
had been an applicant
and the nature of the
letters that had reached
me in his favor. Nothing
was settled at the meeting or
referred to the applicant and
I have written to you Mr Arnold
who has been acting for me
on my absence upon the
subject. If you had not
already done so he had
better see Mr Arnold upon
the subject. It was said that
the present auditor general would
take it. If so you can well probably
find him the most favorable applicant
