Aug 25th 1885

Dear Sir William

Your note
was received on my
return to town, & I
shall at once commu-
nicate with Mr Baynes
if I hear of any suitable
homes for students, but
at present I do not
know of any.

I am afraid the
dread of this epidemic
may interfere with the
coming of ladies from
other places but we
will hope for its speedy
decrease now that
more rigorous measures
are being taken -

With kind regards
to Lady Dawson, I am
Yrs faithfully
Helen Gardner
