Sir,

We are sending off copies of the circular as sent you to 1000 of the members of the "Mining Engineers". We shall charge you only for paper printing of one half the cost & for postage on, say 750, of them, which will be fair & precise. The postage would be absolutely the same whether our list of books were printed or with you or not, or in fact, if your book was only on a single sheet.

Yours Truly  
D. Van Nostrand
