My dear Sir William,

I am much
obliged by your
letter of the 17th ult.
I hoped to have had
the pleasure of seeing
you at Montreal
but was not able to
do so. I tel. Mr. Tullie
that I wished to see
your son, a vic-
torian the 1st of Oct.
Mr. Tullie tel. me
that you were in
the North of the
Island but he has
sent him word & I
hope I may see him
I quite agree with
what you say as to
to

to the necessity of having
-ping accuracy in
regard to scientific
matters & will adopt
the steps you were
kind enough to
suggest.

Hoping to
have the pleasure
of seeing you on
my return from
N. C. I remain

Yours faithfully
