Ottawa, 30th Oct 1885

My dear Sir.

I did not acknowledge receipt of your letter of 26th ult. some because I had to go at once to my election after receiving it and have had my hands full ever since. I will not forget your request however when the time comes to consider the appointment to which you

refer.

I thank you very much
for your kind reference
to my appointment
and remain

Yours sincerely
Eugene Thompson
