Dear Sir:

In the absence
of Pres. White, - now in
Europe - your Communi-
cation to him in rela-
tion to your son, has
fallen into my hands
for reply. Accept
of my hearty thanks
for it. The very flab-
bering testimonials enclosed
make me almost regret
that we have not a

vacancy in our Department of Engineering.

I shall, however, not fail to put your letter & the accompanying testimonials on file, & shall have your son's name in remembrance.

I take the liberty to enclose - or to send accompanying this - the last Report of President White, which was given at the time of his resignation.

With great respect I am
Very truly yours,

Sir Wm. Dawson, Principal, &c. C. K. Adams
President
