DEPARTMENT OF THE INTERIOR
UNITED STATES GEOLOGICAL SURVEY

WASHINGTON March 18th 1886 188 6

To Sir William Dawson.

Montreal

Quebec, Canada.

Sir:

I have the honor to acknowledge, for the Library of the United States Geological Survey, the receipt of pamphlets: on the Mesozoic Floras of the Rocky Mountain Region of Canada, and: notes on the geology and Fossil Flora of Prince Edward Island.

and to thank you most cordially for the same.

By order of the Director:

I am, with respect,

Your obedient servant,

James C. Pilling
