Lucee, April 20th 1861

My Dear Sir William

I shall speak
to Mrs Robertson about
the subject of your of
20th. with reference to the
Natural History Society
I am sure he will be
glad to do anything he
can to assist you. As
you will readily under-
stand, it is exceedingly
difficult for us, under
the present circumstances
to do anything which we
are ^{not} absolutely obliged
to do in the direction of

increasing our expenditure

Yours very truly
W. W. Good
