Ottawa
26th June
1886

Dear Sir W.

I have had my
Secretary transmit the
Circulars of the B. Assⁿ
in accordance with
your wish.

I shall send you on
Monday the Extract
from the Minutes with
respect to Tidal Observations
What you or O'Shustler
is to take charge of
we order that they may be
communicated to the

British Association.

I shall be in Montreal
Tuesday or Wednesday with
Mr. B. on my way to
Amherst. I may be
able to see you for a few
minutes. If not, let
me wish you a pleasant
trip across the water,
be very successful meeting
of the Association, and wish
you are to spend

Yours sincerely,
James Bowdoin

P.S. Suggest to find some
time be shared come out
to special meeting of the B.A.
