23 Denning Road,
Hampstead, N.W.

July 12.

Dear Mr William

I have just received
your letter - and telegraphed
a reply - on Wednesday
I have unfortunately a
meeting at 5. at Westm
and have an engagement
to dinner afterwards here
The latter, had you been
able to stay here till

reply - what I infer from
your letter is not unreasonable
I could have got off.

Hence I cannot well
meet you on Wednesday -
on Thursday I am at
your service - but if
it is equally convenient
to you on how such
on Tuesday would be
slightly more convenient
to me on either or in
that day I have

an engagement in town
Could you not dine
with us on Thursday
evening together with
Mr Dawson?

With kind regards to
Lady and Miss Dawson
for my sister & myself
I am - Dear

Very sincerely yours

J. B. Romney
