Dear Mr William Dawson
Of course you could
not forego the meeting on
Tuesday; and I write to say
that any day after that in
most week will suit us, but
preferably Wednesday, for
the visit of yourself & Lady
Dawson - and your daughter
if with you. We are however

Obliged I limit the
choice to next week, as
it will be our last at home
for some time.

Wm. Lillie begs to
me in any kind of
concessions to Lady Dawson
I myself, & remain
Dear to William
Yours sincerely
J. H. Lillie
