

Dear Sir William Dawson

I duly rec^d your note
of 23rd Inst. and have mentioned
the subject of papers for the B. A.
to Macoun and Adams. They will
I think both prepare a short paper.
I do not propose to do so, & at
present it is somewhat uncertain
whether I shall be there for
more than a day. -

We were very sorry to hear that
Lady Dawson was a sufferer

by the unfortunate accident
at Portsmouth yesterday I hope
she was not seriously hurt
thill soon recover the severe
shaking and fright it must
have caused her. —

Yours truly

Wm R Schuyler.
