OXFORD & CAMBRIDGE CLUB,

PALL MALL, S.W.

My dear Sir

I shall of course
be very glad to send
you an order to see
the Royal Porcelain
Works at Worcester,
but I should also
much wish to meet
you & Lady Dawson
there - My house is
about nine miles

from Worcester, and
if you could find time
to come there I should
be very glad to drive
you through some of
the halvers scenery.

But any way I
hope you will let
me know before hand
the day you will visit
Worcester. Any day
towards the end of

the month will suit
me, except the 25th
and the 30th -

I suppose the friend
with whom you will be
staying near Bewdley,
is Mr. Mote, of Spring
Grove, with whom I am
acquainted -

I have arranged
for a reception of
100 members of the

British Association at
the Royal Porcelain
Works, on September
9th, but Lady Dawson
told me you will be
then leaving England,
and I was very sorry
to hear.

Believe me
yours very truly
G. W. Hastings.

P.S. I am here for the opening
of Parliament, & hope to return
home on Friday night -
