Dear Sir,

I am directed by the
Executive (London) Committee
to approach you on a somewhat
delicate point, in effect, that
they feel they cannot allow you
to be put to any expense in
connection with the recent
accident at Portsmouth on the
23rd ultimo; they would therefore

feel much obliged if you would
kindly allow your medical man
to furnish us with his charges
for attendance.

I am,

Dear Sir,

Yours faithfully,

L. Eby
Capt. R. M.

How. Sec.

Sir R. Dawson.
