My dear Sir,

While thanking
your Executive committee
for its considerate kindness
in the matter of the
Putnam accident, I
feel that I cannot
take advantage of it,
more especially as my
son Dr. H. Duwren
has been able to

Capt Edge,
Haverhill, Me.

give all the advice
and attendance re-
quired by Judge
Dunn.

I am glad however
to take this opportunity
to express our ob-
ligations to Dr Sedgwick
and the medical
staff at Portsmouth
for their prompt and
skilful attention and

Kind hospitality to
the sufferers, which will
be doubt the means
of averting more
serious consequences.

I shall be obliged
if the Committee will
kindly convey to these
gentlemen the
expressions of our gratitude.

Sincerely yours
Wm Dawson
