R. M. BARRACKS, CHATHAM,

12th August, 1886.

SIR,

The Executive (London) Committee regret to have to inform you, that in consequence of an error in the execution of the design for the Memorial Card of the R. N. & R. M. Colonial Entertainment, a delay of some weeks must necessarily occur in their delivery.

When complete, it is proposed to deliver your card by *hand* at *Office Agent General Canada* (to obviate its being crushed whilst passing through the post), unless you are pleased to notify your desire that it should be delivered at any other address.

I am, SIR,

Your obedient Servant,

L. EDYE, CAPT. R. M.
