

Spring Grove,
Bedley.

13th Aug 1886

Dear Sir William,

I have waited to
hear from Professor Lapworth
if he can join in an
expedition to Malvern thinking
you would enjoy the trip
better with such an experienced
Pilot but am still with-
out his answer.

Mr Hartman will
dine & sleep here on the
24th and on the 26th
you will the Birmingham

people have attend the
opening of the Exhibition
at Crystal Palace about
which Mr. Hutchinson has
written you

Mr. Bussey I regret
to say is in great trouble
over a sick son but
will no doubt see you
in Birmingham.

I have to go to
London on Monday for
a few days and hope

to see you when there
I'll haste
Yours very truly
J. Wood
