Dear Sir William

Your kind letter  
reached me in Geneva,  
where we were at-  
tending the meeting  
of the Société Helvétique,  
an elder but smaller  
sister of our British  
Association.

I hope to be in  
Birmingham on Aug. 31

in order to make arrangements for the usual Prayer meeting. The Secretary of the Y W C A offers us their hall, and gives me the names of several Christian friends in the town.

I suppose I may make use of your name as one of the Co-conveners, as in former times.

With very kind regards  
to Lady Dawson and  
your daughter, and  
anticipating the  
pleasure of meeting  
you very shortly,  
I remain

Yrs sincerely  
J. H. Gladstone

Sir Wm Dawson
