

The George Hotel  
Glasgow

20<sup>th</sup> August 1886

Dear Sir William,

after <sup>my</sup> writing  
you last week my father  
returned from the North and  
arranged that we should  
leave London on the Saturday.  
Our evenings were taken up  
in visiting friends and during  
the day I had to go with  
my father and mother to  
various places. On Friday  
about noon I saw you crossing

Biceadilly - but I was  
hurrying down to say  
goodbye to Mr Bourne  
and was in a Bus.  
my father, mother and  
myself are to stay with  
Rev<sup>d</sup> Canon Wilkinson at  
Birmingham. We will there-  
fore be seeing you within  
a fortnight. Trusting that  
this will find the ladies  
Dr Dawson and yourself  
well

I am with regards  
yours faithfully  
Alex<sup>r</sup> Robertson

Sir William Dawson C. M. D.  
London.

We hope to arrive in  
Birmingham on Wednesday.  
1<sup>st</sup> Sept in time to see you  
take the chair.
