Dr. J. W. Dawson, F. R. S.,  
McGill College,  
Montreal, Canada.

Sir:

While studying the glacial markings above St. Davids with other members of the A. A. A. S., I learned that the subject of Glacial Action in

Canada has been reviewed and summarized by Principal Dawson. As I could not ascertain when the work can be obtained I take the liberty to address the author directly. Will you therefore have the kindness to inform me where I may obtain the work referred to.

I have the honor to be

Yours with respect,
