Dear Sir,

As a defender of the Bible  
against attacks in the open-air,  
I ask if you will do me the  
kindness to oblige me with  
copies of your works, entitled

The Origin of the World.

Egypt & Lybia.

to help me in my defence  
of the same. Being a working  
man I am unable to buy them  
out of my earnings, having a wife  
& children to support. Hoping you  
will not refuse

Yours faithfully  
C. Ellesmere
