Dear Sir William

I venture to enclose
a prospectus of the
John Poyer's Memorial to
you. I do so because
many Americans claim
to be descendants of Poyer
the martyr. If you
should know any such -
and they are in Birmingham
I shall be pleased to
show the Bust and
Monument to them.

I have received contribu-
tions from 3 residents
in America. I much
esteem your work for the
truth and venture to enclose
a small tract. I am Dear Sir
Yours faithfully
W. McBadger
