D. Sir

We have now to advise that the package of China & glass has been shipped per *Savonia*, which sails tomorrow, the reason it did not go in *Dauever* is that the letter of advice & Bill of lading were sent to Mr. Montgomery, who was in Glasgow for two days & only arrived on Friday morning, to find the letter & Bill of lading at the office on his return from the ship, after seeing you off.

We remain D. Sir

Yours very truly
Thos. Main & Montgomery
