

285- Stanley Street  
Wednesday

My dear Sir

The copy (newspaper)  
of your address which I have  
has no foot notes. Could you  
favor me with a copy having  
them that I may <sup>the letter</sup> be able to  
answer your note?

Mr Boodle is com-  
what of a nuisance!

Yours faithfully  
D. A. Watt

At B's urgent request  
I sanctioned the insertion of  
his name in the introductory  
note to Canadian Economics  
but I have not by me a  
copy of the book to verify  
the wording. I took every  
 pains to keep my own name  
out of the volume and that  
I succeeded in that.
