

Dr. Cotton

Yours of
the 24. was duly
received but I
was ill for two days
following and so pre-
vented from giving
an immediate an-
swer,

I am sorry to say
I have no rooms

Suitable for Sir William
Dawson and family.

The only accommodations I can offer
being one large room
that would do very
well for one or two
persons.

Your friend may
possibly find suitable
apartments ~~at~~ at
one of the other
houses on the street
I think he would
find any of the

places of name please and are
conformable. I would see-
onment No. 5 - No. 8 No. 19
and No. 24 of James Ave.

Yours very truly
E. J. Clifford
