Sir J. William Dawson

Dear Sir

I beg that
you will accept
my thanks for

The very highly valued
copy of your "Presiden-
tial Address before the
British Association".

Believe me it - is a
source of very great
glatification to my
Brother and my-
self to know that

We are connected
in your remembrance
with such pleasant
thoughts - as those
of the Nile voyage
must be.

With very kindest
regards to Lady Dawson
and Miss Eva &

Hugh Campbell
with thanks again

Dear Sir William

I am

Sincerely Yours

Hugh Campbell.
