

GEOLOGICAL SOCIETY,

BURLINGTON HOUSE, W.

30 Dec. 1886

My dear Sir

I have to acknowledge

the receipt of your letter of the  
16<sup>th</sup> Inst. enclosing a Bill of  
Exchange for £7.2.4 in

payment of sundry subscriptions.

We have all now settled &  
I now send you the various  
receipts.

I am sorry to hear that  
your English dissipations have

acted so prejudicially upon  
your original work as to prevent  
your giving us anything during the  
present session, but, on the  
other hand, I hope that in  
themselves they conduce to your  
enjoyment. - I am quite sure  
that it was a pleasure to us  
in England to have you  
among us in the body, & we must  
look forward to having you  
with us in spirit on some other  
occasion. - Your papers are  
always welcome. -

With kind regards &

all the best wishes of the  
season, I am

Yours very truly  
W. S. Dallas.
