Dear Mr William Dawson - if you should have
seen in the American & Canadian papers a re-
port of my death; this will convince you that it
is false. Such an announcement has been made
& has caused me considerable annoyance. I sup-
pose it has arisen in consequence of the death
of my father some weeks ago. I hope you are
well. With best regards, & with all the good
wishes of the season, I am, yours very truly
H. Allegre Nicholson
