

Mount Auburn, Mass.

February 3rd 1887

Dear Sir William

My brother &
I am greatly obliged to
Lady Dawson & yourself
for the very highly ap-
preciated invitation to
visit you during the
Ice Carnival. Feb. 2-

our regret-circumstances
compel us to forego the
pleasure of accepting it.

The programme is very
interesting & the festivities
bid fair to eclipse even
those of former years.

We enjoy exceedingly having
the photographs so kindly
sent-us by Lady Dawson

As we look at them we
talk over those pleasant
days passed in Egypt.
We have just come to the
end of the January thaw
here & yesterday a fall
of snow covered all the
ground again & the
delightful crisp air
has taken the place of the

Campbell
damp mists - of the
Haw season. Dec 1877

We all join in send-
ing kindest remembrances
to Lady Dawson, Miss Eva
& yourself.

I am dear Sir William

Sincerely Yours
Hugh Campbell.
