

46 Medora Road

Briston Hill

Feb^r 10th 1887

My dear Sir William

It is very kind of you to
continue sending me *The Boy's Own Paper*.
I thank you very much, the stories are very
interesting. I like reading them very much.
I had four nice books given me at Christmas
as presents. I hear you are going to have another
Ice Palace, I should like to see it.

With kind love to Lady

Dawson,

Your affec^t young friend

Ernest Elliott
