

Geological Survey ^{Lumber}
Ottawa.

February. 28th / 87.

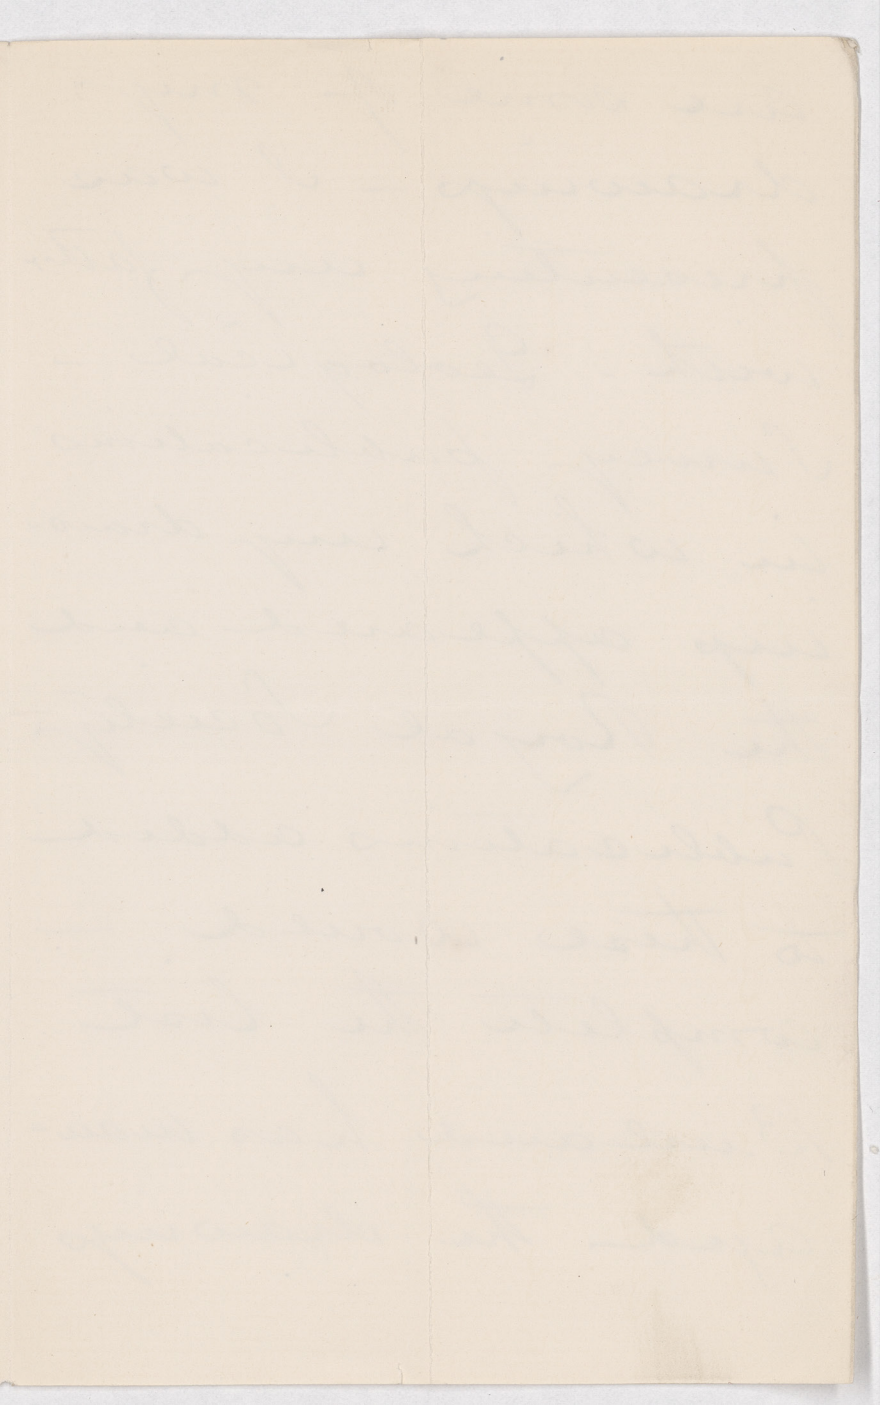

Dear Sir William

Referring to your
letter of Dec. 16th / 86.
I shall be very
much pleased if
you could let my
father have the
last two Vols of
the Royal Society -
Publications in which
to Sir Wm Dawson. C.M.G. }

very well and is more suc-
cessful at his drawing than
he is at stamp work —

with kind regards
yours very truly

Laurence. M. Lamb.

are some of my
drawings - I was
presenting my father
with - Geological -
Survey publications
in which my draw-
ings appeared and
the Royal Society
Publications added
to these would -
complete the list.
Burland has man-
aged the drawings
