

ROYAL SOCIETY OF CANADA.

---

Ottawa, 2nd April, 1887.

Dear Sir,

The Council have directed me to call the attention of all the members of the Royal Society of Canada to the desirability of a larger attendance at the next general meeting, which is to be held in this city on Wednesday, the 25th day of May next. Latterly there has been a decided falling off in the attendance. At the last meeting there were only *thirty-two* present out of a total membership of eighty. As Parliament will be sitting at the end of May, it is very obvious that members of the Royal Society should show by the regularity of their attendance that they continue to take a deep interest in the work which their membership involves.

Yours truly,

*Jno. Geo. Bourne*

Hon. Sec.
