Duke, April 22 1887

My dear Sir William

I am very anxious
to have your photograph.
Will you have the goodness
to send me a cabinet picture
of yourself with your signa-
ture immediately below
the portrait. I want to
hang it in my gallery
of Olympians. You know
how much I will
appreciate the favour.

I think we are
going to have a good
meeting this year
in Newton. I hear that

many varieties from the
British Isles are likely to
abound. I hope to see you
in May.

With kindest regards
Yours sincerely,

John Burrows

in May.

Yours Always
