Dear Sir William

Having been away in the
Country for a short holiday,
my letter writing is in arrears.

Yours of the 4th & the parcel
both it refers have arrived
safely, and I will with pleasure
do all I can to advance matters.

The weather ^{has} become ^{so} more
springlike, & I shall take
an opportunity in a week of
looking over the "Carpenter" photo ^{prints}
& select also some ^{of the "Carpenter"} specimens for

Examination by our friends —
D. Bourne, D. Dancer, Mr. Thos
Davies, D. Kinde, & others — who will
now have the advantage also
of seeing your Latin Preparation,
— in the Parcel above referred to.

I have not seen Mr. Winchell's
Book, but sh^d very much like
to have it. I do not know
wh^o Winchell, but perhaps you
c^d. get a copy of the book
for me. —

I have to thank Dr. J. M. Dawson
for his excellent & very useful memoir

on the Geology of the Northern or Arctic
Canada lately received.

With kind regards

I remain,

My dear Sir,

Yours very truly

J. R. Porter
