

Apr 30 1887.

Fairholme,
Brantford, Canada.

Sir Wm Dawson,

Charter.

Sir

I beg to inform you that I have
a Ross Bifocular Microscope
with objective glasses up to
1/10th and other apparatus
which I should like to
dispose of as I have no
use for it

~~Walter~~
Sharp
M/gy

Dear Mr. Sharp
I have the pleasure
to hear from you
and am glad to hear
that you are well
and hope you are
all the same.
I am, Sir, your
obedient servant,
Walter Sharp

May 2/84

Received of
the Post Office
at 30 1884

It is quite new, has
never been used.

and is in every way a

perfect order. Its cost

about \$900 and is no

doubt the best of the

first instrument of the kind

in Canada, if you or

any of the distribution with

which you are connected

is the critical
