MUSEUM AND OFFICE, SUSSEX ST., OTTAWA.

May 7th 1887.

To Sir J. W. Dawson L. L. D., F. R. S.

Dear Sir,

The corrected abstract of your paper on
Maritime Province Geology came safely to hand
in due course, for which I am much obliged.

I shall take care that it appears in the
proper place in the transactions of our section, or
rather that it is sent to the Printing Committee
with instructions to that effect.

Very truly yours,

J. F. Whiteaves.
