Sir Wm Dawson
My dear Sir

Hearing you were down
town this afternoon
Col Stevens and thought
you might possibly
have called into my
store and left the
following message
with me for you,
With regard to the vacant
lot adjoining our
church, it seems it belongs
to the Queen Estate and
young

We received
your letter of 11/18/87

Very respectfully
Yours,
John Jay

The evening you were down
from this of course
and returned on the night
you were left from
home called into my
store and left - the
the following were
with me for you,
with regard to the vacant
lot adjoining our
church, between
the two lots and
young

Young W. L. Linn has to
do with it - they have
an offer for it at \$1⁰⁰
per foot this is from
Moray for stabling
purposes, this would be
very injurious to our
Church property - and
we ought to protect it
by purchasing and
holding we anticipate the
lot - Mr. Stevenson thinks
that you could influence
them to let us have it
or the refusal of it for
a short time at \$1⁰⁰ per foot.

Yours faithfully
W. Drysdale
