

HILLSIDE,

Chateaugrey Boreum  
June 26<sup>th</sup>

Dear Sir,

When you sent  
me your book last  
year you were away at-  
sea so soon I could  
not thank you, but I  
do so now after many days  
It gave me very great  
pleasure -

Please accept this  
little remembrance  
and I enclose an

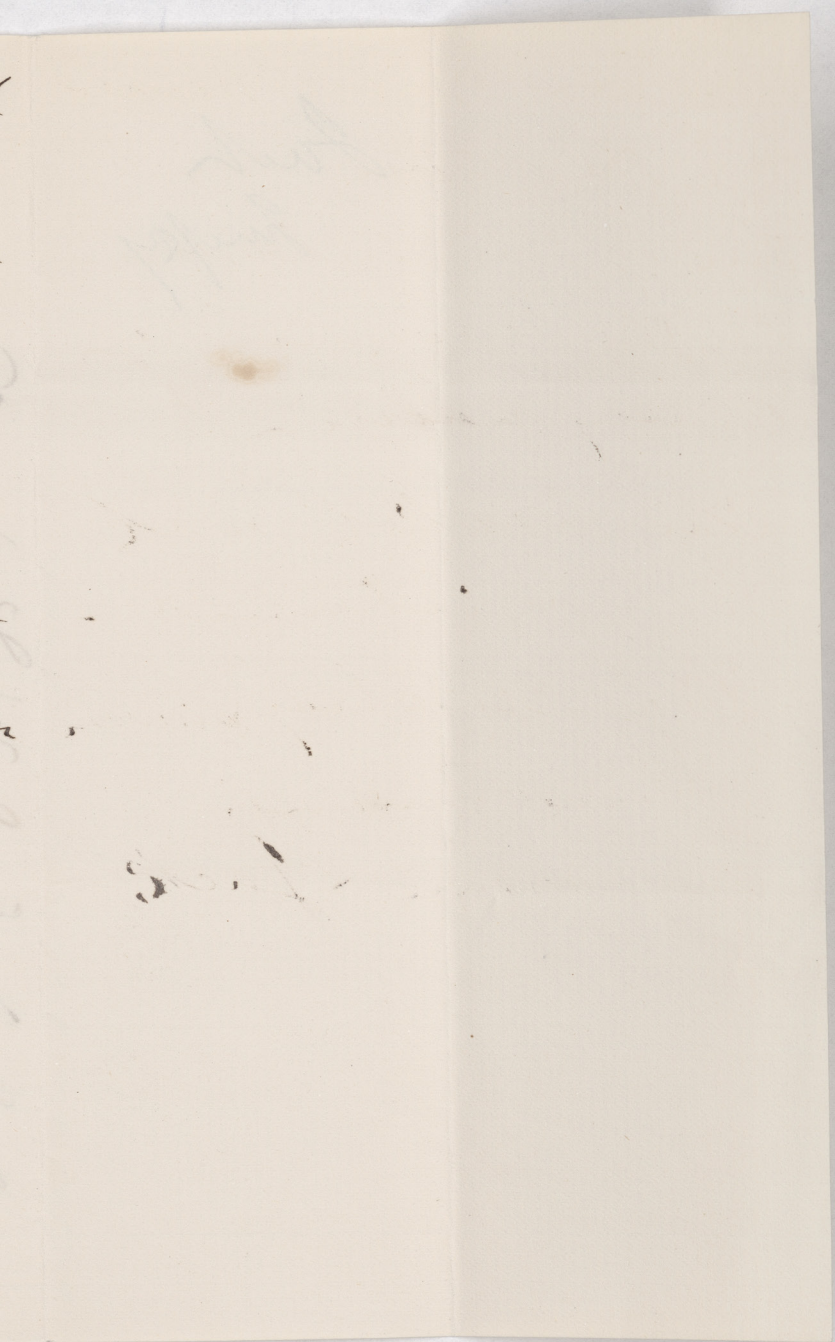

Indian relic picked  
up the other day by  
one of the children -  
for the museum -  
of any value -

The basket need  
not be returned -

Regards to Lady Dawson

Yours sincerely

Annie L. Jack,
