

Montreal

20th July 1889

Dear Sir William,

Kindly let me know definitely by return whether it was agreed that both of the large front rooms adjoining one another upstairs were to be fitted up as class rooms with desks. My first impression was that one was to be a sort of study room, and the other arranged with desks, but if there are to be two years, i.e. two sets of students, it will be necessary to have at least two different rooms.

Nearly everything requiring to be ordered in advance has been attended to now, and I hope that nothing will prevent the Institute being furnished by the 1<sup>st</sup> September.

I have heard nothing yet from Mr. Barclay as to whether

Dear Mr. Walker

Thank you for the return of  
your kind letter of the 14th inst.  
and for the copy of the  
report which you have  
sent me. I have read it  
with interest and find  
it very interesting and  
valuable. I am glad to  
hear that you have  
been successful in your  
endeavour to secure  
the necessary information  
for your report. I am  
sure that your report  
will be of great value  
to the Commission and  
I am glad to hear that  
you have been successful  
in your endeavours.

Mrs Carr has definitely accepted  
or not. We should have our  
circulars and advertisements out.  
Very many of the Ontario ladies'  
colleges and schools have their  
advertisements out already.

Faithfully yours

A. J. Drummond
