

Little notes

July 4/87

Dear Prof McLeod,

In reply to
yours of August 2d
I regret to say that
I have no authority
to grant permission to
be absent beyond
the beginning of the
Term, the Board
of Trustees having
voted to themselves

by resolution the power
to give such permission
to professors.

On the ground
stated in your letter,
and as the first
few days of the
session are occupied
with examinations,
I think it best that

The President would
be willing to give
leave of absence to
Oct 1, but not beyond
that date; and
perhaps the Chancellor
would take the re-
sponsibility of saying so.

I would advise
therefore that you should
call on him in the same

Cop & Under
City Ky

and explain the
matter to him, and
you may say that
Prof Boney, whom I
have seen on the
subject, and I do
not think that any
injury would result
if you can return by
Oct 1st.

Very yours
Wm Dawson
